

Paragon Personal Hydrotherapy Systems

Standard Features

Touch of Elegance Stainless

Stylish and sophisticated, glimmering stainless steel trim that will never rust on all hydrotherapy jet fittings.

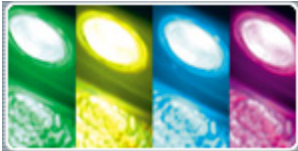

Neck Collar

Sit back and relax while 4 jets gently massage your neck and shoulders.

LED Lit Waterfall

All Paragon models feature an LED lit waterfall that is sequenced with the entry lighting providing the gentle sounds of running water and stunning visual effect.

LED Lighting

All Paragon Spas come standard with Multi Light LED Light System. This lighting provides an array of 8 different colors in several sequences creating breathtaking under water light therapy.

Champagne Air Bubbler with

Aromatherapy - (This feature is optional for North America)

Enlighten Your Senses - With the champagne air option, a series of dedicated air injectors will provide thousands of tiny bubbles of fragrance infused air to arouse your senses. Simply drop in one of the specially designed fragrance canisters and let your senses take you away.

Optional Features

LED Ambiance Perimeter Light

Step up your spa with an array of beautiful lights around the perimeter sidewalls. One key-stroke on the control panel sets the lightshow in motion with a soothing, coordinated shift in color.

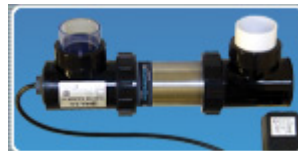

MP3 Ready

Listen to your favorite music or watch your favorite movie through the optimal surround sound system. Plug your MP3 or personal DVD player into the docking station for theatre quality surround sound. The system includes working station, amplifier, sub-woofer and four waterproof speakers. When you are finished unplug your MP3 or DVD Player and take it with you for your car or home enjoyment.

CD/MP3/AM/FM/Sirius

For those of you that want to add the local station or satellite, an AM/FM/Sirius radio with floating remote can be added. Same great features as the MP3 Ready System with a waterproof stereo and remote added for your listening pleasures.

S.U.V.S.

Sunrise UV Sanitizing System® is an odorless, maintenance free sanitizing system that requires no chemicals or salt. Your water remains pure, clean and leaves your skin feeling silky smooth.
